To Miss Mary Williams, who has given unselfishly of her time, patience, loyalty, and guidance to the pupils of Seneca Public High School for nine years, we, the Senior Class of 1957, dedicate our Annual. We hope the students following us will, for many years, be fortunate enough to receive the inspiration which we have gained from her.

There were many people at the meeting, and the speaker was very interesting. He talked about the importance of the club and the work that we are doing. He also talked about the future of the club and the things that we can do to make it even better. The meeting was very successful and we all enjoyed it very much. We will be meeting again soon and we are looking forward to it.
